### **Doctor of Philosophy Examination – Dean's List**

I am writing to advise you that your name has been placed on the Dean of Graduate Studies List (Dean's List) in recognition of excellence achieved with your PhD thesis. This award is made to only a few recipients each year from the large number of doctoral students completing their theses.

Since this is a premier research degree, the University sets high standards for doctoral examinations and your examiners were international authorities in your field of expertise. I am therefore very pleased to report that they were all especially complimentary regarding the high quality of the content and presentation of your thesis.

Congratulations on achieving the award of a place on the Dean's List.

With our very best wishes for your future career.

Yours sincerely,

**Professor Caroline Daley**  
**Dean of Graduate Studies**
